## **ACADEMIC RESPONSIBILITIES**

Students are obligated to complete all schoolwork assigned by teachers. Students are also responsible for bringing materials, such as pencil, paper, and textbooks, to class daily. Students need to ask teacher(s) for missed assignments and complete them as directed by the teacher.

## **ACCIDENT INSURANCE**

The opportunity to become insured under a Student Accident Plan will be given to each student at the time of enrollment.

## **ADMISSION KINDERGARTEN, NEW and OUT-OF-STATE**

Children who will be five years old on or before August 31, 2019, will be eligible to enroll in kindergarten. A transfer student who does not meet the age requirement is allowed to enroll, if the child, while a resident of another state, entered an accredited kindergarten program. Any pupil entering school for the first time in this state shall, prior to admission, be required to present certification from a licensed physician that each pupil has received or is in the process of receiving immunizations against Poliomyelitis, Measles, Mumps, Rubella, Diphtheria, Tetanus, Pertussis, Hepatitis B, and Varicella. Students also need to have a certified birth certificate (not a hospital record) and a physical at the time of enrollment. The physical assessment may be done 12 months prior to school entry or within 90 days after school enrollment.

## **ADMISSION TO FIRST GRADE**

Children who will be six years old on or before August 31, 2019, may be admitted to first grade. All those entering first grade, who have not attended USD #417 schools before, must present a birth certificate (not a hospital record), a record of all required immunizations, and a physical. Enrollment is not complete until this is done. A transfer student who does not meet the age requirement is allowed to enroll, if the child, while a resident of another state, has completed an accredited kindergarten course or had entered a state accredited first grade.

## **ADMISSION: ALL NEW STUDENTS**

All students enrolling for the first time in USD #417 will attend classes no sooner than the first day following enrollment, not on the day of enrollment.

## **ASBESTOS HAZARD EMERGENCY RESPONSE ACT**

We are required by Federal Law to yearly notify patrons and students about the presence of asbestos material in our buildings. There is some asbestos in our buildings. This asbestos is checked on a regular basis and has been found to be in good condition, and not a hazard to health in our 2016 inspection. EPA inspection in 2016 found USD #417 to be in compliance. All buildings are re-inspected every three years. USD #417 Asbestos Management Plans are located at each attendance center and also at the Central Office.

## **ASSIGNMENT BOOKS**

Assignment books (Gr. 2-6) will be issued. These will assist students with organizational skills and be a communication tool between home and school. Replacement will be at student cost.

## **ATTENDANCE**

Students should attend school and be prompt in arriving at assigned classes. **Students are considered tardy after 8:00 a.m.** It is not only the parents' responsibility to require regular school attendance, it is a Kansas law until the age of 18. (See truancy.) Parent(s)/guardian(s) are responsible for informing the school of the reason for any absence on the morning of the absence. If this is not followed, a note signed by the parent or guardian upon the student's return explaining the reason for the absence or a telephone call is required for re-admittance. Long-term illness (any absence in excess of three days) must be verified by notification from a doctor. The school will determine whether an absence is excused or unexcused. Kansas State Law allows USD 417 to accept only the following as valid reasons for excusing an absence 1. Personal illness and professional appointments (these may require a note from a medical professional) 2. Serious illness or death of a member of the family 3. Emergencies calling for the student's services or presence at home 4. Obligatory religious observances 5. Participation in a district-approved or school sponsored activity. 6. Absences pre-arranged by parents and approved by the principal.

## **BEFORE & AFTER SCHOOL**

Students are not allowed in classrooms before 8:00 a.m. If it is necessary for a student to arrive early, parents should call the office in advance. Once a student arrives at school, he/she is required to remain on school grounds until school is dismissed or unless properly excused. Students are not allowed in the building after 3:45 p.m., unless they are serving detention, have extracurricular practices, or are enrolled in the after school program. There is no playground supervision either before or after school.

## **BOOKS - LIBRARY & TEXTBOOKS**

Library privileges may be temporarily suspended for failure to return overdue books. Students will be expected to reimburse the library for any books or materials damaged or lost. Each student is responsible for the textbooks that are rented by him/her. Loss or mutilation will cause the student to be financially responsible for those textbooks.

## **USD 417 BULLYING POLICY**

Bullying means: Any intentional gesture or any intentional written, verbal, electronic, or physical act or threat either by any student, staff member, or parent towards a student or by any student, staff member or parent towards a staff member that is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment that a reasonable person, under the circumstances, knows or should know will have the effect of: Harming a student or staff member, whether physically or mentally; Damaging a student's or staff member's property: Placing a student or staff member in reasonable fear of harm; or Placing a student or staff member in reasonable fear of damage to the student's or staff member's property. Bullying also includes cyberbullying. "Cyberbullying" means bullying by use of any electronic communication device through means including, but not limited to, e-mail, instant messaging, text messages, blogs, mobile phones, pagers, online games, and websites. Additionally, bullying means any form of intimidation or harassment prohibited by the board of education of the school district in policies concerning bullying adopted pursuant to K.S.A. 72-6147 or subsection (e) of K.S.A. 72-1138, and amendments thereto. USD 417 will not tolerate these actions by students, staff, or parents.

For the purposes of this plan and its authorizing policies, "parent" includes a biological, adoptive, or step- parent; guardian; custodian; or other person with authority to act on behalf of a student. Similarly, a "staff member" means any person employed by the district. Any act of bullying by either an individual student or group of students towards a student or staff member of the district is prohibited on or while utilizing school property, in a school vehicle, or at school-sponsored activities, programs, and events. This policy applies to students who directly engage in an act of bullying, to students who, by their behavior, support another student's act of bullying, and to all staff members and parents who engage in similar behaviors. Training concerning identifying, reporting, investigating, and preventing bullying behaviors as outlined in district policies and this plan shall be provided to students and staff members using district resources available for such purpose and shall be provided through school assemblies, staff development, or other appropriate forums at least annually.

The board or the district administration on behalf of the board may seek student, staff, parent, and/or community input on the adoption, revision, and/or implementation of the board's bullying policies or plan as directed or approved by the board.

No teacher, administrator, or school district employee shall engage in, permit, or tolerate bullying. Retaliation against a victim, good faith reporter, or a witness to bullying is prohibited. A student or staff member who engages in an act of bullying, reprisal, retaliation or false reporting of bullying, shall be subject to discipline in accordance with school district policy and procedures. The school administration and/or board may take into account the following factors when determining an appropriate disciplinary action for such prohibited conduct: the ages of the parties involved; the developmental and maturity levels, special education needs of the parties involved, and the severity of the behavior.

Discipline guidelines for student bullying may be found in student and employee handbooks. Offenses over time or single offenses which are severe in nature may result

in discipline up to and including suspension and/or expulsion or termination from employment. Parents participating in prohibited bullying conduct aimed at district students and/or staff members may jeopardize their access to district facilities; district property; school sponsored activities, programs, and events; and/or district students and/or staff members through the district's communication systems. As appropriate, reports to local law enforcement will be filed to report criminal bullying behaviors.
